Adult / All Ages Show Introduction

"Ladies and Gentleman,

I'd like to introduce our performer for today. She is an award winning circus performer who has entertained audiences in 16 different countries around the world. Over 4 million people have seen her videos online and she told me earlier that if she could be any animal, she would be an otter.

Please give a warm welcome to Sa-fire!"

Youth Motivational Show Introduction

Please do not mention that the presentation will be 'motivating' in nature or that I was a school teacher.
